

Did Jesus use a modem, at the Sermon on the Mount?
Did He ever try a broadcast fax, to send His message out?
Did the disciples carry beepers, as they went about their route?
Did Jesus use a modem, at the Sermon on the Mount?

Did Paul use a laptop, with lots of RAM and ROM?
Were his letters posted on a BBS, at Paul@Rome.com?
Did the man from Macedonia, send an email saying "Come?"
Did Paul use a Laptop, with lots of RAM and ROM?

Did Moses use a joystick, at the parting of the Sea?
And a Satellite Guidance Tracking System, to show him where to be?
Did he write the law on tablets, or put them on a CD?
Did Moses use a joystick, at the parting of the Sea?

Did Jesus really die for us, one day upon a tree?
Or was it just a Hologram, or Technical Wizardry?
Can you download the Live Action Video Clip, to play on your PC?
Did Jesus really die for us, one day upon a tree?

Have the wonders of this modern age, made you question what is true?
How a single man, in a simple time, could offer life anew?
How a sinless life, a cruel death, then a glorious life again,
Could offer more to a desperate world, than all the inventions of men?

If in your life, the voice of God is sometimes hard to hear.
And with other voices calling, His doesn't reach your ear.
Then set aside your laptop & modem, and all your fancy gear.
And simply open your Bible, and let your Father draw near.

See you Sunday!
